Mayor's Message

For everyone that will be in town during the 4th of July weekend, the W.A.I.A. will once again sponsor the traditional 4th of July Cookout in the middle of the 1100 block of West Avenue. Please join us for this very social event. Everyone is asked to bring a plate to share and your favorite grill food. As usual there will be three grills ready for your use and plates / utensils. We look forward to seeing you.

I want to thank our Webmaster, Marty Martin, for keeping us posted on the issues of late. As you are aware, there have been a number of crime incidents near our neighborhood. It is extremely important that everyone report any incident, no matter how small, to the police department. Frequency of reports is one way the department uses to increase surveillance of this area. With economic conditions the way they are it is probable that these issues will persist for some time, so we must protect our community.

Finally, as a friendly reminder, please check to see if your home has paid the \$20 membership annual dues. These funds provide support for the various functions held throughout the year that add to the uniqueness of this very special neighborhood.

Thank you and I hope everyone will join us at the cookout.

Robert
